

Para Gliding Tandem Flight

Allows:

A Tandem Para Gliding experience

A Tandem Para Gliding Flight with a Certified Tandem Instructor; Altitude 500 feet-1000 feet

Average Time of Activity: 20 mins

Available for 2 flights

Valid for two persons with Certified Tandem Pilot

You have been gazing into the sky since you were little and looking at birds flying overhead! It's time for you to enliven your spirit with [Our Para Gliding Certified Instructors](#). Para Gliders are designed for "free flying" without tether. We do not jump of a Para Glider: it takes off from a pent and lands on a smooth terrain. Our Certified Instructors will take you a tandem flight soaring and ascending up high, you'll not only experience a unique flying sensation, but you'll see the most amazing scenery. Don't be surprised if u sign up for solo lessons when u land – the adrenaline can be addictive.
